LOOK INSIDE
You may have unclaimed MONEY...

...from refund checks SMECO mailed in 2012.
Are you listed in this booklet?

The names listed on the following pages are SMECO customer-members whose 2012 Capital Credit refund checks have not been cashed. The checks represent a percentage of the Capital Credits earned from electric service provided from 1981 through 1985.

The 2012 Capital Credit checks were sent to the last known addresses of all customers who were eligible for refunds. SMECO would like to refund these unclaimed Capital Credits to the rightful owners.

Please check the list to see if your name appears. Also, please check for the names of people who may have been your neighbors or people you may have known in SMECO’s service area.

Use the form provided on the back page of this publication; any information you can include will be greatly appreciated. The form is self-addressed so that it can be folded, stamped, and dropped in the mail. (Please tape the form so that it will stay sealed.)

If you need additional forms, you may make copies of the form provided, or you can complete an online form on SMECO’s website at smeco.coop/capital-credit-form.

The names listed here can also be found at smeco.coop/missing-members until January 31, 2016.

What are SMECO’s Capital Credits?

SMECO belongs to its customer-members. As owners, members have a responsibility to help finance their business. They do this by using our services and by allowing the Co-op to retain any money collected in excess of actual operating costs.

The money is used to build and maintain the facilities needed to serve the Co-op’s members and to service our long-term debt. This money is capital furnished by the members—capital that will be returned to the members at a later date.

Capital Credits are refunded at the discretion of the Board of Directors whenever the Board determines that the financial condition of the Co-op will not be impaired.

Because you may receive Capital Credits in the future, it is imperative that you keep the Co-op informed of your current address. Even when you discontinue service with SMECO, we ask you to give the Co-op a current mailing address and notify SMECO of any subsequent address changes so that Capital Credit refunds can continue to be sent to you.

SMECO also needs to be notified by a relative or other legal representative when a customer of record is deceased so that the account can be put in another person’s name or closed. SMECO will refund the deceased customer’s Capital Credits to the customer’s estate in a reduced lump sum discounted payment if the account was listed solely in the customer’s name and is closed. For an estate to receive a refund, a relative or representative must provide SMECO with a Letter of Administration that designates a legal representative of the estate and a death certificate. (Please see the instructions on page 34.)

Customers do not receive lump-sum refund checks upon discontinuing service with SMECO. Capital Credit refunds are made upon Board approval and according to the financial condition of the Co-op.

How to obtain a Capital Credits refund for an estate

SMECO’s bylaws allow the Co-op to retire Capital Credits early if the legal representative of the estate requests a refund in writing. A Letter of Administration naming a personal representative of a deceased customer’s estate and a death certificate are required for all persons requesting an estate retirement refund of the Capital Credits; this includes surviving spouses.

SMECO’s Capital Credits Division will need to provide you with important information before you can obtain the Letter of Administration from the Register of Wills.

Please submit the claim form to our Capital Credits Division before contacting or visiting the Register of Wills office. Use the form on the next page or go to smeco.coop/capital-credit-form. After SMECO receives the Missing Member Claim, we will send the claimant a letter with important information and additional instructions.

Money that SMECO collects in excess of operating costs goes toward building and maintaining the facilities to serve our customer-members. We refund this capital when the Board of Directors determines that doing so will not harm the financial condition of the Co-op.

Please allow 3 to 4 weeks for processing of your information letter. Claims are processed in the order that they are received.

If an estate has not been opened for the deceased customer, the Register of Wills staff will assist you in opening a small estate for the purpose of obtaining the Capital Credit refund from SMECO.

In some cases, the estate may be more involved and the Register of Wills staff will be able to guide and assist you in those circumstances as well. The Register of Wills offices are required to charge a fee based on the value of the estate.

The contact information for each of the Register of Wills offices in the Cooperative’s service territory is shown at right. If you have any questions about the estate refund process, please contact SMECO and someone will be able to assist you with your Capital Credit Estate Refund Claim.
