

Earn an "A" for Energy Efficiency

When you switch to ENERGY STAR® qualified appliances, you can save energy and get \$25–\$350 rebates on select models. For example, save up to \$150 on a new refrigerator or \$350 on an electric heat pump water heater.

Visit [SMECO.coop/save](https://www.smecho.coop/save) for a list of qualifying appliances and rebate applications.

Recycle your old fridge or freezer and get \$50!

SMECO can help you lower your energy costs—and even pay you to do it. Let us recycle your old, working refrigerator or freezer and we'll give you a **\$50 reward**. Have an old, working room air conditioner too? We will gladly recycle that at the same time and give you a **\$25 bonus!**

By recycling your old refrigerator, you can save nearly **\$150 a year** on your energy bill without having to lift a finger. Who knew that old fridge had such potential!
