Ride the wave of year-round savings.

Take a whole-house approach to energy efficiency and get rebates up to \$3,800 for improvements with SMECO's Home Performance with ENERGY STAR program. Plus, save money all year long through reduced energy costs.

- Start with a \$100 home energy audit (a \$400 value).
- Review the findings and consider your opportunities for upgrades.
- Have your contractor make the improvements.
- Take advantage of SMECO rebates up to \$3,800.
- Enjoy increased comfort, durability, and safety in your energy-efficient home.

This program supports the EmPOWER Maryland Energy Efficiency Act.
