

Spread the **WARMTH** this winter

Stay warm this winter and keep your neighbors warm, too.

Sign up for **Members Helping Members** and **receive a cozy reward** for lending a hand.

For people who have fallen on hard times, receiving enough money to pay past due electric bills can make a big difference in their lives.

Members Helping Members is a program where customers in Southern Maryland can help their neighbors who are struggling to pay their electric bills throughout the year.

A little help can make a big difference.

GIVE

One dollar a month could help your neighbor stay warm

We know that part of being a good neighbor is lending a hand when needed, and we know our customer-members share this charitable spirit.

By contributing to Members Helping Members, you can join your neighbors to help keep the lights on.

How do I help?

It's easy! Simply sign up to add \$1, \$5, or \$10 to your SMECO electric bill every month.

Each month donations are sent to the Southern Maryland Tri-County Community Action Committee, which will administer the funds to those customer-members who seek aid and meet the qualifications.

Enroll in Members Helping Members in several convenient ways.

- Call 1-888-440-3311
