

# Stuck in a Bad Relationship with Your Old Fridge?

Breaking up isn't hard to do with a **\$50 reward** for recycling your old working refrigerator or freezer.

**SMECO** will even pick it up at no cost to you.

# Kiss That Needy Old Appliance Goodbye and Start Saving

That spare refrigerator or freezer in your basement or garage is not only taking up space, but also could be wasting up to 1,200 kWh of energy and nearly \$150 in electric costs every year. Recycle your old appliances now and you'll save energy and money. And SMECO will pay you to do it!

Visit [SMECORecycleMyOldFridge.com](https://www.smeconet.com/RecycleMyOldFridge.com) or call **866-261-5970** to schedule your pickup.

SMECO residential customers can receive a \$50 reward for recycling any refrigerator or freezer in working (cooling) condition. Your appliances will be picked up at no charge from the address listed on your billing account.

**\$25 Bonus** Recycle a room air conditioner or dehumidifier at the same time as your fridge or freezer pickup and get an additional \$25.

This program supports the EmPOWER Maryland Energy Efficiency Act.
