KEEP the
LIGHTS

ON

Help your neighbor keep the lights on this winter and receive a special gift that will light up your day. Sign up for **Members Helping Members** and receive a reward for lending a hand.

For people who have fallen on hard times, receiving enough money to pay past due electric bills can make a big difference in their lives.

One dollar a month could help your neighbors

We know that part of being a good neighbor is lending a hand when needed, and we know our customer-members share this charitable spirit.

Members Helping Members is a program for SMECO customers to help their neighbors who are struggling to pay their electric bills throughout the year. By contributing to Members Helping Members, you can join your neighbors to help keep the lights on.

How do I help?

It's easy! Simply sign up to add \$1, \$5, or \$10 to your SMECO electric bill every month.

Each month donations are sent to the Southern Maryland Tri-County Community Action Committee, which will administer the funds to those customer-members who seek aid and meet the qualifications.

Enroll in Members Helping Members in several convenient ways.

- Call 1-888-440-3311.
- Go online at **smeco.coop/community/members-helping-members**.
