# No need to think it over.

## Get a SMECO Quick Home Energy Check-up and start saving right away.

A specially trained energy efficiency expert will identify simple ways you can reduce energy use, save money, and increase comfort. With your approval, your Check-up professional will install energy-saving items that may include:

- Up to 12 CFLs: dimmable, 3-way, candelabra, globe, spiral
- LED bulb
- Faucet aerators
- Up to two efficient-flow fixed or handheld showerheads
- ShowerStart™ showerhead adapter
- Pipe insulation (on hot and cold pipes from electric water heater for 6 feet)
- Electric water heater tank wrap
- Smart strips

Schedule a **Quick Home Energy Check-up** today at **[SMECO.coop/QHEC](https://www.smecho.coop/QHEC)** or call **877-818-4094**.

This program supports the EmPOWER Maryland Energy Efficiency Act.
