

Have you ever paid your SMECO bill by text?

SMECO

First-timers will be eligible for a **\$5 credit*** on their SMECO account if they pay their bill by text in July.

I would love the bill credit. Is it hard to do?

It's so easy, you'll wonder why you didn't try it before.

SMECO

Follow these simple steps to pay by text.

- To start, go to SMECO's website and click the Pay Your Bill button. Sign in using your account number and billing zip code.
- Then click the Manage Wallet button. (Or you can log in to Account Manager and click Text to Pay Wallet.)
- Enter your checking account or credit card info, and create a four-digit code.
- After setting up your online wallet, use your mobile device to text REG to SMECO (76326).
- To make a payment, just text PAY to SMECO, then follow the prompts.

** Eligible members will receive a one-time incentive of a \$5 credit on their account in August.*

Want to do more by text?

- After you text REG to SMECO (76326) and link your account to your cell phone, you can send and receive info about outages, payments, high bill alerts, and more.
- Want to manage your text messages and emails? Just text STOP to SMECO or go online to Account Manager and click Notification Preferences.
