

Safe, Secure, Fast & FREE!

The old method of paying bills isn't as reliable as it used to be. But SMECO has lots of tried and true ways to pay your bill that are safe, secure, fast, and free!

PAY ONLINE

- Use SMECO's Account Manager to view and pay your SMECO bill online. Pay with your checking account or your credit card: Visa, MasterCard, or Discover. (To use Account Manager, you need to have third-party cookies enabled in your browser.)
- You can make a quick and easy online payment when you click Pay Your Bill. You'll need your account number and payment info, but no user name or password (and no need to have third-party cookies enabled in your browser).

USE THE APP

- Download our free **SMECO 24/7 mobile app**. The app stores your payment info and offers additional conveniences.

TEXT US

- You can text your payment if you set up an online wallet. To store your payment info in your online wallet, go to Pay Your Bill or log in to Account Manager.

SET UP AUTOMATIC PAYMENTS

- Set up AutoPay to pay your SMECO bill automatically from your checking account or credit card. Just go to Account Manager for easy set up, and your bill will get paid on time every month.

MAKE A CALL

- Use a check, Visa, MasterCard, or Discover. You can also check your account balance and date of your last payment. Direct Pay is available 24/7. Just call 866-528-7757.

Take the uncertainty out of making a payment and use one of our tried and true methods for paying your bill. They are safe, secure, fast, and free!
